

Time is money. Here's how we save you both.

From faster approval times to a long-standing tradition of financial strength, the advantages to working with BancorpSouth Equipment Finance are limitless.

Rapid Approval Time

Our bottom line: we strive to provide fast approvals, normally one to three days. For our municipal customers, the approval is quick and easy and requires no municipal election, as does bond financing.

More Buying Power

We can help you determine your financing needs before finalizing your equipment acquisition. This allows you to concentrate on choosing the right equipment for the job.

Experience

With years of experience and an extensive equipment financing background, we know firsthand about all the varying financial needs you may have, allowing us to prepare the best possible financing arrangements for you.

Prompt Funding

We take pride in meeting your timetable for signing documents and paying the vendor. Once all documentation is in place, transactions are funded.
